After joining the meeting with the above link, audio/video/chat settings can be toggled in the black settings bar at the bottom of your screen. Hover your mouse at the bottom of your screen to get the settings bar to appear if you are on a computer (on a smart phone this bar will automatically show up).

To type out questions or comments, press the "chat" button. This button is located on the right hand side of the black bar if you are on a computer. On a smartphone, press the "More" button (symbolized by three horizontal dots) to find the chat button.

To turn your audio/video settings on or off use the "Unmute" and "Start Video" buttons on the left hand side of the black bar.

Call Caryn Miske or Emily McGuirt if you have any questions. We will be available before the meeting starts to help you with any technical difficulties you may encounter.
