Seeley Lake Historical Barn

In the summer of 2018, there were 18 grizzly bear and over 100 black bear conflicts in the Clearwater Valley due to bear attractants, states MTFWP Wildlife Specialist, Jamie Jonkel. The Great Bear Foundation will offer examples from Manitoba and the US on the awareness, creativity and tolerance necessary for humans and bears to co-exist. Information on how to acquire a bear-resistance garbage container will be available.
