TOPICS COVERED

- Types of Avalanches
- Avalanche Terrain
- Snowpack Types
- Weather Considerations
- Avalanche Advisory Information
- Trip Planning and Preparation
- Travel Techniques
- Education Opportunities

In this 1-hour, free avalanche awareness session, our expert avalanche educators will deliver an introduction on how avalanches happen, what they look like, and how to avoid them. Through video footage, photos and engaging dialog, you will learn about why you should be aware, and how to be prepared when you travel in the back country. We'll talk about gear, terrain, snowpack and more!

The avalanche awareness session is designed for both current and aspiring back country travelers.

Free! Everyone Welcome. Refreshments served.
